About HomeSend

[HomeSend](#) is a joint venture created by MasterCard, eServGlobal and BICS that enables B2B cross-border and cross-network value transfers through a single connection. It builds on the successful deployment of mobile enabled person-to-person transfers in emerging markets and the digitalization of money transfer services. The HomeSend service innovatively bridges the gap between finance and telecommunication service providers and enables consumers to send money to and from mobile money accounts, payment cards, bank accounts or cash outlets – regardless of their location or that of the recipient.

About eServGlobal

eServGlobal (AIM:ESG, ASX:ESV) offers mobile money solutions which put feature-rich services at the fingertips of users worldwide, covering the full spectrum of mobile financial services, mobile wallet, mobile commerce, recharge, promotions and agent management features. eServGlobal invests heavily in product development, using carrier-grade, next-generation technology and aligning with the requirements of more than 65 customers in over 50 countries.

Together with MasterCard and BICS, eServGlobal is a joint venture partner of the HomeSend global payment hub, a market leading solution based on eServGlobal technology and enabling cross-border money transfer between mobile money accounts, payment cards, bank accounts or cash outlets from anywhere in the world regardless of the users location.

eServGlobal also builds on its extensive experience in the telco domain to offer a comprehensive suite of sophisticated, revenue generating Value-Added Services to engage subscribers in a dynamic manner.

eServGlobal has been a source of innovative solutions for mobile and financial service providers for 30 years.
